□ 1445

Mr. KIRK, Mr. BROWN of Ohio, and Mrs. CAPITO changed their vote from "yea" to "nay."

Mr. JOHNSON of Illinois changed his vote from "yea" to "present."

So (two-thirds of those voting having not responded in the affirmative) the motion was rejected.

The result of the vote was announced as above recorded.

PERSONAL EXPLANATION

Mr. GUTIERREZ. Mr. Speaker, I was unavoidably absent from this chamber today. I would like the RECORD to show that, had I been present, I would have voted "yea" on rollcall vote 524 and "no" on rollcall vote 525.

AUTHORIZING PRINTING OF "UNITED STATES HOUSE OF REPRESENTATIVES, THE COMMITTEE ON WAYS AND MEANS: A HISTORY, 1789-2006"

Mr. EHLERS. Mr. Speaker, I ask unanimous consent that the Committee on House Administration be discharged from further consideration of the concurrent resolution (H. Con. Res. 495) authorizing the printing as a House document of "United States House of Representatives, The Committee on Ways and Means: A History, 1789-2006," and ask for its immediate consideration in the House.

The Clerk read the title of the concurrent resolution.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Michigan?

There was no objection.

The Clerk read the concurrent resolution, as follows

H. CON. RES. 495

Resolved by the House of Representatives (the Senate concurring),

SECTION 1. PRINTING OF DOCUMENT.

(a) IN GENERAL.—The document entitled "United States House of Representatives, The Committee on Ways and Means: A History, 1789-2006", prepared under the direction of the Office of the Historian, United States House of Representatives, shall be printed as a House document, with illustrations and suitable binding, in a style and manner determined by the Joint Committee on Printing.

(b) ADDITIONAL COPIES.—With respect to the document described in subsection (a), in addition to the usual number there shall be printed the lesser of—

(1) 1,500 copies, of which 50 shall be bound in leather for the use of Members of the Committee on Ways and Means and 500 shall be casebound for distribution by the Committee on Ways and Means; or

(2) the maximum number of copies for which the total production and printing cost does not exceed \$40,000, with production and distribution to be allocated in the same proportion as described in paragraph (1).

The concurrent resolution was agreed to.

A motion to reconsider was laid on the table.

UNBORN CHILD PAIN AWARENESS ACT

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, tomorrow the House is scheduled to consider H.R. 6099, the Unborn Child Pain Awareness Act. If passed, this bill would ensure that women are informed of the pain experienced by their unborn child at 20 weeks after fertilization.

The bill also gives expecting mothers an opportunity to request pain medicine for their baby. Medical evidence asserts that an unborn child can feel pain at 20 weeks, if not earlier.

According to a report by the Centers for Disease Control, approximately 1.4 percent of the abortions in the U.S. are performed at or after 20 weeks following fertilization. This means that nearly 20,000 women are not given complete information regarding the excruciating pain experienced by their unborn child.

Mr. Speaker, it is our responsibility as legislators and more importantly, as human beings to empower women, their husbands or partners with all the facts, and not merely a sugar-coated version of the truth.

Therefore, I urge my colleagues on both sides of the aisle to support women's right for information and vote "yes" on H.R. 6099.

BRING THE TROOPS HOME NOW

(Mr. KUCINICH asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KUCINICH. Mr. Speaker, on September 30, 2006, this House appropriated \$70 billion in bridge funds for the war in Iraq. There is talk now of another appropriation of \$130 billion in the spring, bringing the total for the war in Iraq to \$200 billion for a single fiscal year.

This House is going to have to make an historic decision in the spring, and I want the American people to know right now that the money is in the budget to bring our troops home. There is no need for an additional appropriation of \$130 billion. That will only keep the troops there. You want the troops to come home, the money is there right now in the budget to bring the troops home. We don't have to keep this war going.

The American people voted for a new direction in November, and that new direction is something they are entitled to. We don't have to dig a deeper grave in Iraq. We can bring the troops
